GENERAL INFORMATION

The Longfellow Club offers a comprehensive and progressive junior program for children interested in learning the great game of tennis. Our professionals are certified instructors who delight in sharing their knowledge with children of all ages. Our clinics are divided by age and skill level and we also offer opportunities for match play, mini tournaments, USTA Jr. Team Tennis and sanctioned tournament training.

The Longfellow Club now follows the USTA's QuickStart program for developing junior players using modified courts (size specific) and balls (low compression). The benefit of this system is that it gets children to play the game quickly!

Clinics will begin Wednesday, September 9, 2011 and run through Sunday, June 17, 2012. Enrollment is open to all current players until Monday, June 13, 2011. After June 13 enrollment will be open on a first come, first served basis. Payment is due upon registration. Please remember that a junior's membership (\$175) must be up to date to join a clinic.

USA PROGRAM

The USA Tennis program is designed for players ages 8 - 12 with ability levels ranging from Beginner to Intermediate players. The program is designed to introduce young players to the great sport of tennis and give them the necessary skills to have fun and be successful.

The Level 1 clinics are for players who have little or no previous experience with tennis.

The Level 2 clinics are for players who have some experience with tennis but are still working towards playing points and rallying. Our Tuesday and Thursday clinics are perfect for younger players graduating from the Zip Zone.

The Level 3 clinics are for players who can rally and play points. All USA Tennis clinics will use a progression of courts in accordance with the USTA's tournament requirements.

10 & Under players will be on the orange (60') court with orange balls and 12 & Under players will be on the green (78') court with green balls.

Program must receive approval from Eric Westcott, Jamey Finchum or Phil Parrish.

PAYMENT OPTIONS

✓ Full Year Commitment.

By committing to the full year you receive two main benefits: a reduced price and priority enrollment. If you select this option and withdraw from the program, you will be assessed a 10% fee and we will not refund your money unless we can fill your spot. High School players may select this payment option and withdraw from the third session with no penalty. Two payment options are available with a full year commitment.

- **Installment plan** (you must provide a credit card that we will store on file and you will be charged in 3 installments, on 6/13/2011, 11/7/2011, 2/20/2012.)

- **Full Amount in Advance** (pay the full amount for the year by cash, check or credit card.)

✓ Pay by Session.

Payment is due at registration. Only a limited number of spots will be held for this payment option. If you elect to pay by sessions, you will be charged an increased price (reflected on the price page of this application) and must let us know by the above payment due dates whether or not your child will continue. If you do not let us know by that date, we will charge you for that session and will not refund your money unless we can fill your spot.

Note: The vast majority of our students continue for the full year. The new full year payment option was very successful this year and we are continuing it for 2011-2012 with a few minor changes that are indicated above.
