What is Zip Tennis?

Zip Tennis is a part of the USTA's QuickStart Program. Using smaller courts (36'X18'), appropriately sized (shorter) rackets and low compression balls we can teach children to play the game more quickly! We see children who learn and play tennis at the Zip Zone rally, hit shots and use techniques years sooner than they would with "traditional" methods. Learning Zip Tennis at the Zip Zone provides children with the proper foundation that will get them playing fast and last them lifetime!
